MBE – Direct Mounting Set

Sales release

We are pleased to announce the launch of the DMS (Direct Mounting Set), a new flange adapter for the MBE-050.

In general DUNGS recommends mounting the PS (Pressure Sensor) at a distance of 5xD from the outlet of the MBE in order to guarantee the full performance range. With the DMS, we offer a solution that allows the PS to be mounted directly on the outlet of the MBE-050 valve without losing any of the performance range.

Order number	Quantity	Designation
296996	1	Direct Mounting Set DMS Rp 2
298355	10	Direct Mounting Set DMS Rp 2
296997	1	Direct Mounting Set DMS NPT 2
298356	10	Direct Mounting Set DMS NPT 2
